**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I very much want to have my service provider sonic.net, providing their excellent service. I've had AT&T and disliked what they provided. They are great at answering my questions and problem solving and issue that come up

I would be paying a lot more if I had to return to AT&T and receiving a lot less for my money.

They provide both my phone and my internet service.
